- Learn new ways of handling conflict

Who should attend:

- Couples who want to take a good relationship to FANTASTIC
- One member of a couple who would like to shift the dynamic in their relationship
- Singles who long to be in a relationship
- Newly married couples who'd like to learn skills to communicate better

Our facilitators: **Siobhan Murphy** (Sha-vaun) is an Executive Life Coach, Visionary and Speaker. She works with CEO's, managers, and teams to create amazing work environments through the power of enlarged conversations. As an experienced facilitator, she loves what the power of communication can do for relationships. Making your brilliance visible is her passion!

George Lien has an extensive background in retreat leading, sales, counseling, engineering and construction. He is a builder in many ways; of beautiful homes and of the capacity of individuals to create through the power of trained thought. Together, this dynamic duo has created harmony in their own home and love sharing what's worked for them with others who share their desire.
